

Blessings Running Over!

Give, and it will be given to you: good measure, pressed down, shaken together, and running over will be put into your bosom. For with the same measure that you use, it will be measured back to you." Lk. 6:38

Thinking back on the end of a year of ministry at Cedar Lane and it's easy to be pleasantly overwhelmed with God's goodness and care. I usually think of applying Luke 6:38 to individuals receiving incredible blessings from God for their generosity to others but He also continues to bless Cedar Lane as we reach out beyond our own ministry of housing missionaries on furlough.

Because of the many donations of great furniture and household items to Cedar Lane we are not only able to upgrade the homes on campus but we can also help furnish homes for retiring missionaries and MKs going to college. Last year we set aside enough furniture for two retiring missionary families. They were so grateful for God's provision through Cedar Lane for everything from bedroom sets to pots and pans. It's such a joy for us to be able to help these servants after years of dedicated service overseas. Our storage rooms are still overflowing!

We also have been blessed to have an outreach to over 40 hurting families in our community through a bi-monthly opportunity to provide food from our food pantry ministry. We get an abundance of food from the Food Bank of South Jersey for our missionaries and the needy in our community. Since we started the outreach as a food pantry, God has overflowed our food room with donations for our missionaries from an Amish market, Trader Joes and a local butcher.

Last year we received more than 40 cases of meat from the butcher and weekly donations of baked goods, produce, sliced meat, cheese, roast chicken and so much more from Trader Joes and the Amish. We have had to put the overflow into another storage area adding three more freezers to the four freezers and two refrigerators in our regular food room. Talk about "pressed down, shaken together." Our missionaries can't believe how little they spend on food for their families. They are so grateful!

We are all grateful as we see God's blessings increase every year as we honor Christ in emulating His generosity to us through giving to others.

Financial Report

Income: 156,579

Expenses: 157,233

We were very close to breaking even with our income and expenses last year. We were only \$654 short of our income. A partial roof replacement and water and termite damage repair kept us from being under budget by a few thousand dollars, which is our targeted goal. But we praise the Lord for His continued provision.

Natural Gas Lines Added

It was great to see natural gas lines being put in throughout Cedar Lane. Gas heat is much cheaper than electric, 1/2 the price of oil and 1/3 the cost of propane. Because of the new house going in, the gas company put gas all through the property for free. We are now converting our 8 homes that use propane to gas. It should save both the missionaries and Cedar Lane a lot on heating costs.

Office Remodeled and Upgraded

A special designated gift last year helped us to totally remodel our office and upgrade the computer system. Fresh paint, a new Pergo floor, new lighting and new wood blinds have transformed it. It looks great! The new computer system will

be more efficient and cheaper to run with a new printer that uses toner rather than expensive ink. Thank you Lord!

Items sold online in January: \$700

Joanne has been able to sell books and some household items online. It's a lot of work but worth it. Just this January has produced \$700 in sales mostly from books. Keep bringing the books and household items by! What we can't use in the homes and library may be sold online helping us keep costs low for our missionaries.

Book Sale/Family Festival

This year we're going to combine our Cedar Lane Book Sale with Laurel Hill Bible Church's Family Festival. We hope to enhance the festival with the opportunity to buy some good books and at the same time increase our book sales by combining with the festival. The Festival/Book Sale will be...June 22 from 11am to 5pm. See you there!
