Hundreds of people are involved in making Cedar Lane a caring sanctuary for our missionaries. Some pray for us, some give financially, some volunteer regularly, many donate clothing and household items and some come as church work groups. Work groups may do anything from raking leaves to remodeling homes.

This spring we have had some great work groups to help make Cedar Lane a better place. Our volunteers and work groups save Cedar Lane thousands of hours of work each year. One year we estimated that we had about 4000 work hours performed by volunteers and work groups.

I'll share just a few highlights from this year so far:

Hope Chapel came with 30 adults and did spring cleanup, gardening, organized the library, and put up insulation and sheetrock in the auto shop.

A group of ladies from **Fellowship Alliance Church** in Medford helped our weekly volunteers in the clothing room by thinning, sorting and refolding all the bins and hanging clothing.

Christ Community Church did its annual paper drive to restock the paper supplies we provide for new residents.

Whiting Bible Church brought their senior's group to help set up the yard sale and do some gardening.

The Zeliff and Warriner Families came down from the Rochester NY area for a week to fix some major leaks in the clothing and storage barn.

Grace Bible Church sent their youth group to help clean up the roofing that was torn off from the roof repairs.

This summer **Laurel Hill Bible Church** Youth will be doing some projects on the property.

Joy Fellowship Church has asked if they can bring a work group in the fall.

Continued from page 1

I probably haven't even mentioned all who have come. What I do want to mention is how grateful we are to all the groups that come to serve the missionary community at Cedar Lane. We are encouraged, the missionaries are ministered to and God is glorified.

May God continue to bless Cedar Lane with work groups and bless work groups with Cedar Lane.

Any good Doctors.....???

We are trying to make a directory of good doctors, dentists, chiropractors, and Christian counselors. If you can give us any recommendations that we can pass on to our missionaries we would very much appreciate it. Just call or email our office. (Phone number and website are on the front page.)

Conference Room

The conference room has been a superb addition to Cedar Lane. It's been used for birthday parties, showers, exercise (2 treadmills and a stationary bike), monthly missionary fellowships, an overflow sleep area for when missionary extended families come to visit and this winter we housed a college choir needing an overnight.

What has become obvious is the need to put in a bathroom/shower. We are starting a project fund to construct a bathroom/shower facility in one corner of the room. Because the sewer drain is above the floor line, we need to pump the waste water up with a toilet/pump combination adding a bit more to the cost.

We estimate the cost to run between \$3,000 and \$3,500. Our hope is to start construction this fall or early winter. Pray with us for God's supply so that we can make the conference room an even more effective space for our missionaries.

Would you like to come off the mailing list?

Or would you like to receive the newsletter via email?

Please fill out the form below and send it to the office or call us at 856-783-6525.

You can also email us at cedarlane@furloughhomes.org

Please take me off the mailing list. (We will get your address from the front of your envelope)

Please switch me from receiving the newsletter snail mail to receiving it via email.

Yard Sales!!

Our spring yard sale was limited to one day because of rain. We did bring in just over \$1000. We also had the most and best help ever. A number of missionaries, some of our faithful volunteers and the Whiting Bible Church seniors group came on the Thursday before the sale to help set up. Thank you to all that helped!

Our next sale will be June 17th and 18th

We were not going to have a summer sale because of a lower turnout and the heat, but we had so many donated items we couldn't get them all out for the spring sale. Pray for clear skies and a good crowd. In case of a rain date or other change, we have a yard sale "hotline" now. The phone number is 856-441-0855.

Fuel For Prayer

~In our last letter we asked prayer for our homes to be fully occupied. We **praise the Lord** that this spring and summer our homes are filled. **Pray** for this fall's occupancy.

~So far this year we've received over \$1200 for our excess clothing. **Praise the Lord** for this provision!

~**Pray** for the finances for the conference bathroom fund.
